EPD Update – Data Led Focus

SUMMARY: EPD's data led policing focus for this week

Eugene Police Department is using data, intervention and prevention to more effectively respond to crime. The more the public is informed about these trends and what kinds of preventive action to take, the more victimization is curtailed.

A large, faint, blue watermark of the Eugene Police Department badge is visible on the left side of the slide. The badge is a five-pointed star with a central circular seal. The seal contains the text "CITY OF EUGENE" at the top, "STATE OF OREGON" at the bottom, and "POLICE" in the center. The background of the slide is white, with a dark blue horizontal bar at the top and a large, dark blue, wavy shape on the left side.
